ADB Calibrated Equipment Per ASTM E4-20

A Non-Destructive Test was gradually loaded to 20,000 Lbs, or 200% and was held for 3 Seconds. Then the Hoist Ring(s) were examined showing NO damage to the product.

Harcourt Industrial Inc certifies that the following parts were 100% load tested and passed all safety checks.

A handwritten signature in black ink, appearing to be "J. Thorne", is written over a horizontal line. The signature is fluid and cursive.

Signature:
Someone Important
