SPECIAL BALL LOCK PINS

Special Ball Lock Pins:

As well as standard ball lock pins, Harcourt can supply special ball lock pins of various styles and for various applications. Listed below are the common special ball lock pins and their part families which are used when ordering (see pg 29).

Adjustable Ball Lock Pins	Part Family: HBLP-A
Double-Acting Ball Lock Pins	Part Family: HBLP-DA
Heavy Duty Ball Lock Pins	Part Family: HBLP-HD
Detent Pins	Part Family: HBLP-DP
Lifting Pins	Part Family: HLFP
Expanding Pins	Part Family: HEP

Special Options:

Listed below are the common special options and their suffixes which are used when ordering (see pg 29).

4 Balls	Add '- 4 BALL'
Drive Out (only available on double-acting ball lock pins)	Add '- DO'
Special Cable Length	Add '- C##' example: '- C24' for 24 inch cable.

Lead Times:

Special ball lock pins are intricate items and are usually manufactured to your order, as a result they may be subject to significant lead times.
